

LSA6.5

Landscape Speaker Accessories

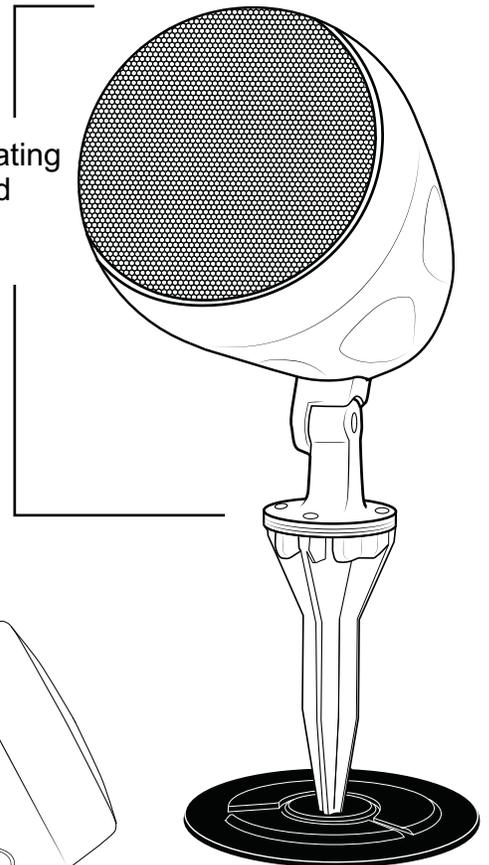

Easily convert the hanging PCS6.5 Pendant Speakers into standing and adjustable Landscape Speakers with help of the LSA6.5 Landscape Accessories converter set. The LSA6.5 converter set allows the PCS6.5 speaker to be sturdily mounted on a flat wide base plate that is buried beneath the ground to provide a strong and level support. The LSA6.5 makes it possible to safely mount the PCS6.5 outdoors. The set also includes a sealed cap to ensure the protection of the speaker's components from the elements.

EACH SET INCLUDES

- **Outdoor Ground & Wall Mountable**
- **Weather Resistant**

Speaker & Rotating
Bracket sold
separately
(PCS6.5)

Weather seal is placed
around the enclosure
