

Waterproof Speaker **EQuatic**

Earthquake's **EQUATIC** wireless & water resistant micro-speaker allows you to stream audio from your Bluetooth® enabled devices (i.e. iPhone®, iPad®, Android® or other audio playing devices).

When fully charged, the EQUATIC can perform over 3 hours of continuous music play with extreme clarity and excellent quality.

Designed with convenience in mind, the EQUATIC is water resistant and supports hands free phone mode with over 5 hours of talk time. Available in black, white, red and hot pink, these micro speakers are great for everyday use, indoor or outdoor, rain or shine.

EQuatic Features:

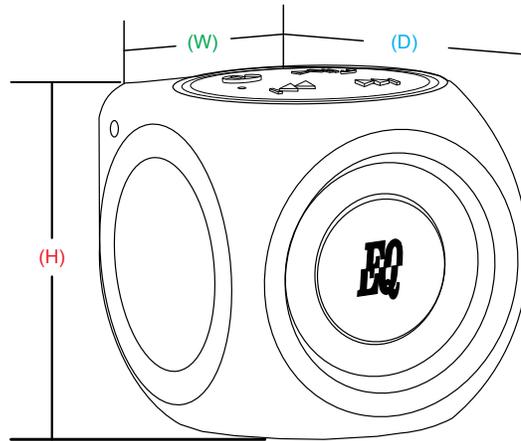

- Water resistant
- Wirelessly stream music from Bluetooth® enabled devices
- Compact and portable design
- Supports hands free phone mode
- At least 3 hours of music play
- Over 5 hours of talk time
