OBJECTIVE

The new RCS Reference Ceiling Speakers are designed to deliver high quality audio performance while staying affordable.

Available in 5 1/4 inch, 6 1/2 inch and 8 inch sizes, the RCS series features polypropylene woofer cones for durability and low distortion. Each speaker has a 1 inch (25mm) silk dome swiveling NEO tweeter that can be aimed at the direction of the listeners for better sound staging.

INTENDED USE

- ✓ Contractors, Custom Installers and Retailers
- ✓ Kitchens, Hall-ways, Offices, Lobbies
- ✓ New Construction & Retrofit Applications
- ✓ Home Theater & 2-Channel/Music System

The RCS speakers have 20% trimmer speaker frame for reduced visibility. Comes complete with paintable rust-resistant grilles, these speakers can be customized to blend with any décor. Installation is quick thanks to a 3-ear Turn 'N' Lock installation mechanism.

SPECIAL FEATURES & HIGHLIGHTS

- 12 dB/Octave filter network crossover
- Thermal tweeter protection
- Custom compact spring loaded terminals
- Easy to use Turn 'N' Lock installation mechanism
- 20% trimmer speaker frame for better aesthetics
- Paintable rust-resistant grille
